9. Contact us
10. User profile

2 User Stories

- As a customer, I want to order using an application instead of using WhatsApp, so that I save my time.
- As a customer, I want to see the products in one page, so that I can decide which product I want to buy.
- As a customer, I want to view the product details, so that I can know more info about the product (such as price or possible quantity).
- As a customer, I want to add a product to the cart, so that I can find it when I want to confirm my order.
- As a customer, I want to view my cart, so that I can check my order before the confirmation .
- As a customer, I want to be able to delete a product from my cart, so that I can take a step back when I change my mind.
- As a customer, I want to be able to choose the delivery method, so that I can receive my order on my preferred way.
- As a customer, I want to be able to choose a payment method, so that I can be able to confirm my order.
- As a customer, I want to be able to cancel my order, so that I can take a step back when I change my mind.
- As a customer, I want to be able to view my previous orders, so that I can reorder one of them.
- As a customer, I want to be able to provide my contact information to the store, so that they can reach me.
- As a customer, I want to be able to save one or more addresses, so that I can order on different locations.
- As a customer, I want to be able to view the store contact information, so that I can reach the store when I want to give them some comments.
